

# I'm Sorry

(Geraldine Doggett)

Refrain

I'm sorry, I'm sorry,  
I'm really very sorry.

I hurt your feelings, caused you pain,  
I'd like to be your friend again.

I'm sorry, I'm sorry,  
I'm very, very sorry.

1

Sometimes when we play our games  
I get angry, I call you names.  
I know I should not act this way,  
That is why I'd like to say.

Refrain

2

Sometimes I tell tales on you,  
I make up stories that are not true.  
I know I should not act this way,  
That is why I'd like to say.

Refrain

3

Sometimes I won't let you play,  
I turn my back till you go away.  
I know I should not act this way,  
That is why I'd like to say.
