

# The Way To Be

(Words: Patricia Hegarty, Music: Antaine Ó Faracháin)

1

Most of the time, I'm good, I share.  
My friends all like me, they know that I care.  
Some of the time I'm mean, I fight,  
But I know that when I'm like that it's not right.  
Being selfish, being a bully,  
That's not really me.  
Being kind and being friendly,  
That's the way to be!

2

Most of the time, I'm fair, I true.  
My friends all trust me, I'm glad that they do.  
Some of the time, I tell a lie,  
Or leave someone out and that makes them cry.  
Being unfair and being untruthful,  
That's not really me.  
Being fair and being truthful,  
That's the way to be!
